

**NATIONAL JOINT POWERS ALLIANCE (NJPA) AWARDED VENDOR
REQUIRED FEDERAL CONTRACT PROVISIONS CERTIFICATION**

When a National Joint Powers Alliance (NJPA) Member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law and local rule. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR Part 200 (also referred to as the "Uniform Guidance" or "EDGAR").

NJPA awarded Vendors must complete this certification regarding Vendor's willingness and ability to comply with certain requirements which may be applicable to specific NJPA Member purchases using federal grant or contract dollars. NJPA Members may also require Vendors to enter into ancillary agreements, in addition to the NJPA contract's general terms and conditions, to address the Member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts. NJPA reserves the right at any time within a contract term to require an awarded Vendor to reaffirm or resubmit proper documentation relating to these requirements.

Note: The numbering and identification contained herein is only for reference purposes and does not identify any actual Federal designation or location of the rule. Rules are located in 2 CFR Part 200.
