Vendor Agreement

Wisconsin's Cooperative Purchasing Service

Wisconsin statutes (s. 16.73, Wis. Stats.) establish authority to allow Wisconsin municipalities to purchase from state contracts. Participating in the service gives vendors opportunities for additional sales without additional bidding. Municipalities use the service to expedite purchases. A "municipality" is defined as any county, city, village, town, school district, board of school directors, sewer district, drainage district, vocational, technical and adult education district, or any other public body having the authority to award public contracts (s. 16.70(8), Wis. Stats.). Federally recognized Indian tribes and bands in this state may participate in cooperative purchasing with the state or any municipality under ss. 66.0301(1) and (2), Wis.Stats.

Interested municipalities:

- will contact the contractor directly to place orders referencing the state agency contract number; and
- are responsible for receipt, acceptance, inspection of commodities directly from the contractor, and making payment directly to the contractor.

The State of Wisconsin is not a party to these purchases or any dispute arising from these purchases and is not liable for delivery or payment of any of these purchases.

The State of Wisconsin will determine the contractor's participation by checking a box below.

- MANDATORY:** Bidders/Proposers must agree to furnish the commodities or services of this bid/proposal to Wisconsin municipalities. Vendors should note any special conditions below.
- OPTIONAL:** Bidders/Proposers may or may not agree to furnish the commodities or services of this bid/proposal to Wisconsin municipalities. A vendor's decision on participating in this service has no effect on awarding this contract.

A vendor in the service may specify minimum order sizes by volume or dollar amount, additional charges beyond normal delivery areas, or other minimal changes for municipalities.

Vendor: please check one of the following boxes in response.

- I Agree to furnish the commodities or services of this bid/proposal to Wisconsin municipalities with any special conditions noted below.
- I Do Not Agree to furnish the commodities or services to Wisconsin municipalities.
